COLORS FOR THE AME CHRISTIAN YEAR

In the Christian year of our church, we recognize two cycles: the Christmas Cycle (Advent-Christmas-Epiphany) and the Easter Cycle (Lent-Easter-Pentecost). Within each cycle are a preparatory season symbolized by the color purple and a festival season symbolized by the color white. Between each cycle follows an ordinary time of growth symbolized by the color green in the Seasons After the Epiphany and After Pentecost. Therefore, there is a sequence of seasons using purple, white, and green in that order twice each year.

PURPLE is a color of both penitence and royalty used during the preparatory seasons of Advent and Lent. Alternative colors of royal blue or violet may also be used during Advent.

WHITE and **GOLD** are joyous and festive colors used during the Christmas and Easter seasons (except on the Day of Pentecost) and in other seasons on festive days such as Baptism of the Lord, Transfiguration, Trinity, All Saints, and Christ the King. White may also be used at weddings. At services of Holy Communion white linens on top of the Lord's Table are the tradition of the AME Church, and are used on the first Sunday, regardless of the Holy Season that is celebrated. Therefore, even if the first Sunday of the month is the first Sunday of Advent, the color used in the pulpit remains white.

GREEN is a color of growth used in the Seasons After the Epiphany and After Pentecost, except when special days call for white or red.

RED is a color of fire, symbolizing the Holy Spirit. It is used on the Day of Pentecost and at other times when the work of the Holy Spirit is emphasized. Red is also the color of blood - the blood of Christ and the blood of martyrs. Because of its intensity, red is most effective when used occasionally rather than continuously for a whole season. It is appropriate for evangelistic services, for ordinations and consecration, for church anniversaries and homecomings, Founder's Day, and for civil observances such as Martin Luther King, Jr. Day, Memorial Day, Independence Day, Labor Day, and Thanksgiving. It may be used during Holy Week, beginning with Passion/Palm Sunday, to symbolize the blood of Christ.

BLACK is a color of death used on Good Friday and Holy Saturday and for funerals. Gray is its alternative.

Although the use of these colors is based on broad ecumenical tradition, other colors have been and are being used in Christian churches. Creativity and use of alternates with colors bring new meaning to the worship experience. Examples include African prints or variations, pink during the third week of Advent and black on Good Friday.

It is always a good policy when in doubt, to seek guidance from a presiding elder, senior pastor, Christian education director, or other person designated by the pastor. These persons will be helpful in providing information on appropriate colors for preparing the sanctuary.

Connectional Lay Organization Theme

“Living a Global Witness Ministry That Transforms, Transcends and Liberates”

The Scriptural Reference: Luke 4: 18-19

The Spirit of the Lord is upon me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim liberty to the captives and recovering of sight to the blind, to set at liberty those who are oppressed, to proclaim the year of the Lord’s favor.

Living a Global Witness Ministry means that we intentionally, on purpose, in an unabashed way, in a public way, in a relational way, desire to bring witness that is different, daring, innovative, engaging and liberating.

We serve a church that spans 39 countries, 5 continents, speaks countless languages, is governed by democracy, aristocracy, monarchy amid a plethora of cultures and yet believes in **THE SAME GOD**. We are separated by miles, resources, agendas, political interests and for the past 18 months we can add pandemic to the mix of reasons that we are apart. We have been kept together through the innovation of technology, the willingness to transform to a different way of thinking and worshipping and witnessing. We have had to transcend the usual way of doing things so that all could be privileged to a liberating gospel. We as the Organized Lay Organization have had to step up and be demonstrative of the outcomes we are desirous of seeing. In other words, Living A Global Witness Ministry That Transforms, Transcends and Liberates is where our mission rests.

Living A Global Witness Ministry that Transforms is real life ministry. Everybody seems to be using the word “transformation” to describe the impact of what they are doing. There is transformational leadership, transformational management, transformational development, transformational business, transformational care, transformational learning, transformational marketing!

Living A Global Witness Ministry that Transcends goes beyond borders and boundaries. It is the charge and chance for us to extend ourselves beyond our comfort zones to communicate and create avenues that will reach generations, open minds and activate people to engage in a unifying work.

Living A Global Witness Ministry that Liberates frees one to be liberal in praise, in service and witness. The gospel is a message of freedom and liberation — the ministry of Jesus was that of liberating captives. The gospel tells us that it is through the inspiration of the Holy Spirit that we can courageously leave our comfort zones to reach, teach, preach and serve others just like Christ did in the synagogues.

AS YOU PLAN YOUR LAY PROGRAM...

Use the Connectional Theme in your programs. The artistic rendering that supports the theme is included here. It is NOT the lay Logo, but a rendering. Feel free to use it, coupled with the theme, as you plan your lay programs.

In planning your lay programs and activities try to incorporate the theme or components thereof as a way to continuously keep persons aware of it.

This is the Lay Logo. It is the **ONLY** Lay Logo. It does not change.

Artistic rendering for the Current Connectional theme. It is **NOT** the Lay Logo!

The Bishop is on the MOVE...

The itinerancy is a traveling ministry. It is the portal through which the clergy moves. In the AME Church one thing that is certain is that movement will occur within the leadership of our Zion. Nothing makes that point more clearly than a review of what will and may occur in 2024 with mandated movement for over 55% of the Bishops in AME Church.

Indicated with **GREEN shaded box** below are moves that must occur in 2024. A **RED shaded box** indicates no move is mandated but one can still occur. The Ecumenical and Located Bishop may also impact the assignment rotation. 2024 will be a time of Episcopal Moves. Stay Tuned!!!
